

- 1) Click [HERE](#) to go to the application start page shown below:

The screenshot shows the PEGNL website header with navigation links: Sign in, Twitter, LinkedIn, Cart, and Contact Us. The PEGNL logo is on the left, and the text "PROFESSIONAL ENGINEERS & GEOSCIENTISTS NEWFOUNDLAND & LABRADOR" and "professional excellence. public trust." is on the right. The main heading is "Online Registration Application". Below it, a paragraph states: "To begin the application process, please answer the following question and then complete the information that appears in response to your answer." The question is "Have you ever been a member or a previous applicant of PEGNL?" with radio buttons for "Yes" and "No". The "No" button is selected. Below the question are three text input fields: "Full First Name as Listed on Government Issued ID", "Full Last Name as Listed on Government Issued ID", and "Date Of Birth" (with a calendar icon). At the bottom is a green "Submit" button.

professional excellence. public trust.

Online Registration Application

To begin the application process, please answer the following question and then complete the information that appears in response to your answer.

Have you ever been a member or a previous applicant of PEGNL?

☐ Yes ☒ No

Full First Name as Listed on Government Issued ID

Full Last Name as Listed on Government Issued ID

Date Of Birth

 

Submit

- 2) If you have been registered with PEGNL before, please contact us registration@pegnl.ca to set up your application access through your existing account. If not please select "No", complete the information boxes shown below and click Submit.

- 3) If a person with the same name and date of birth exists in our database, you will have to contact us at registration@pegnl.ca, otherwise click Continue and you will see the following page where you must enter all information on the lines noted by the red asterix * and then click Continue:

Personal and Contact Information

*First Name	<input type="text" value="Engineer"/>
*Last Name	<input type="text" value="Peg"/>

Continue

- 7) **After selecting Continue in 6, you will be applying as a mobility applicant and you will see the following page and you must select the mobility Category you are applying for and your registration status from the dropdown lists next to each question.**
- On the same page near the bottom, you will see a checkbox on the left side. Read the wording carefully, double check that you have the correct application type as listed at the top of the page, select the checkbox and then click the **Continue button and proceed to step 17.** If you do not have the correct application type, click the Back button.**

Application Type - Mobility (you must already be registered with another engineering or geoscience regulator in Canada)

- Applicants must identify ALL regulators with which they are currently registered.
- Requirements for registration are defined in PEGNL's [Registration Policy](#).
- Applicants must provide proof of identity in accordance with Section 3.1.2 of PEGNL's [Registration Policy](#).

* Please select your current registration type.

(None) ▼

* Have you ever been registered with PEGNL?

(None) ▼

☐ Please confirm that you are completing the correct application type as noted at the top of this page. If you proceed past this page, the application type CANNOT be changed. If you have not selected the correct application type, use the Back button below to return to the previous page.

Continue

- 8) If you answered 'No' to the question in 4, you will see the following question and you must select 'Yes' or 'No' from the dropdown list. **If you select 'No', please proceed to step 12.**

* Do you have an undergraduate university degree in engineering or geoscience?

(None) ▼
Required field

(None)

No

Yes

[Continue](#)

- 9) If you answered 'Yes' to the question in 8, you will see the following question and you must select 'Yes' or 'No' from the dropdown list and then click the Continue button. PEGNL STRONGLY recommends that you apply for full professional licensure if you have the required 48 months of work experience (either internationally or in Canada). If you meet the academic requirement for licensure, you will be offered the option to register as a Member-in-Training while you complete the remaining requirements for full licensure. Applying for full professional licensure may provide additional pathways for meeting the academic requirement and will also give you access to the Competency Assessment system and allow you to register for the National Professional Practice and Ethics Exam.

* Have you completed 48 months of work experience in an engineering or geoscience field (can also include international experience)?

Yes ▼

(None)

No

Yes

[Continue](#)

- 10) If you answered 'Yes' to the question in 9, you will be applying for full professional licensure.** You will see the following page and you must select the Category (engineering or geoscience) you are applying for and your registration status from the dropdown lists next to each question.

Application Type - New Professional Licensure (P. Eng. or P. Geo.)

- Applicants must have at least 4 years of applicable engineering or geoscience experience and have completed satisfactory educational requirements (an accredited degree program or similar) in order to be eligible for professional licensure. Applicants may be asked to complete exams or provide additional information in order to be deemed suitable. Submission of an application does not guarantee licensure with PEGNL.
- Requirements for registration are defined in PEGNL's [Registration Policy](#).

* What category are you applying for?

(None) ▼

* What is your Registration Status?

(None) ▼

On the same page (shown below) near the bottom, you will see a checkbox on the left side. Read the wording carefully, double check that you have the correct application type as listed at the top of the page, select the checkbox and then click the **Continue** button and proceed to step 18 or 19. If you do not have the correct application type, click the Back button.

Language Requirement

All professional members with PEGNL are required to demonstrate that they are competent in the English language. Please be aware that you may be asked to provide proof of English competency (such as a passing grade in TOEFL, CanTEST, CLB, or IELTS language tests) if your degree was completed in another language.

Competency Based Assessment

In addition to this application, all those applying to be professional members with PEGNL are required to complete a full experience review using the Competency Based Assessment framework. You will require an Application-in-Process number or your active Member-in-Training number from PEGNL in order to create a Competency Assessment account.

Information on the Competency Based Assessment framework and on how to create your account will be provided once your application is submitted. If you are a Member-in-Training with PEGNL, you must use your PEGNL member number to create an account if you have not yet done so. More information can be found on the [Competency Based Assessment](#) page of our website.

☐ Please confirm that you are completing the correct application type as noted at the top of this page. If you proceed past this page, the application type CANNOT be changed. If you have not selected the correct application type, use the Back button below to return to the previous page.

Back

Continue

- 11) If you answered 'No' to the question in 9, you will be applying as a member-in-training.** You will see the following page and you must select the Category (engineering in training or geoscientist in training) you are applying for and your registration status from the dropdown lists next to each question.

Application Type - Member-in-Training (E.I.T. or G.I.T.)

- Applicants must have completed satisfactory educational requirements (an accredited undergraduate degree program or similar) in order to be eligible for registration as a member-in-training (MIT). Submission of an application does not guarantee acceptance.
- Requirements for registration are defined in PEGNL's [Registration Policy](#).
- Acceptance to the MIT program does not guarantee future licensure with PEGNL or any other regulatory body. Four years of acceptable engineering or geoscience experience is required for registration as a Professional Engineer or Professional Geoscientist.
- Applicants must provide proof of identity in accordance with Section 3.1.2 of PEGNL's [Registration Policy](#).

* What category are you applying for?

(None) ▼

* What is your Registration Status?

(None) ▼

On the same page (shown below) near the bottom, you will see a checkbox on the left side. Read the wording carefully, double check that you have the correct application type as listed at the top of the page, select the checkbox and then click the **Continue**

button and proceed to step 18 or 19. If you do not have the correct application type, click the Back button.

Competency Based Assessment

All those applying to be professional members with PEGNL are required to complete a full experience review using the Competency Based Assessment framework. While you are not required to complete this process to become an MIT, you will need to do so when applying to become licensed as a professional engineer or professional geoscientist. You will be given information on the Competency Based Assessment framework and on how to create your account if you are registered as a MIT. More information can be found on the [Competency Based Assessment](#) page of our website.

☐ Please confirm that you are completing the correct application type as noted at the top of this page. If you proceed past this page, the application type CANNOT be changed. If you have not selected the correct application type, use the Back button below to return to the previous page.

15) If you selected 'Yes' in 14, you will be applying for a limited scope license. You will see the following page and you must select the Category you are applying for and your registration status from the dropdown lists next to each question.

On the same page near the bottom, you will see a checkbox on the left side. Read the wording carefully, double check that you have the correct application type as listed at the top of the page, select the checkbox and then click the Continue button. If you do not have the correct application type, click the Back button.

Application for Professional Licensure - Limited Scope (Eng. L. or Geo. L.)

Applicants in this category are typically graduates of an engineering or geoscience technology program. Consideration may be given graduates of a university science or computer science program or graduates of an engineering masters program whose undergraduate degree is not in engineering. Applicants accepted in this registration category will have the right to independently practice engineering or geoscience within a defined individualized scope of practice authorized by PEGNL.

- Applicants must have a minimum of 8 years (96 months) of acceptable engineering or geoscience work experience, including at least 4 years (48 months) of acceptable experience in the proposed scope of practice.
- Submission of an application does not guarantee licensure with PEGNL.
- Requirements for registration are defined in PEGNL's [Registration Policy](#).
- Applicants must provide proof of identity in accordance with Section 3.1.2 of PEGNL's [Registration Policy](#).

* What category are you applying for?

(None)

* What is your Registration Status?

- 16) If you are a **limited scope applicant**, you will see the following page where you must supply three references using the Add Reference button. The Scope of Practice form and the Work Experience Reports can be completed after you have finished the rest of the application process. **After adding your three references, please proceed to step 19.**

Limited Scope - [Three Additional Requirements](#)

1. Scope of Practice Form: You are required to submit a [PEGNL Scope of Practice Form](#)

2. Work Experience Reports: You are required to have a minimum of 8 years of applicable engineering or geoscience work experience, at least 4 years of which must be within the defined scope of practice being requested. You must complete an [Engineering Work Experience Report](#) or a [Geoscience Work Experience Report](#), covering at least the required 8 years of work experience. You must submit a separate Work Experience Report for each position held.

3. References: You must identify at least 3 references with first-hand knowledge of your work. At least one reference should be a direct supervisor. At least 2 of the references should be Professional Engineers or Professional Geoscientists. If a reference is not a registered Professional Engineer or Professional Geoscientist, a copy of their resume is required.

- 19) On the education page shown below, you must enter at least one undergraduate degree before you can proceed. You are free to add additional related undergraduate or post graduate degrees.

Mobility Applicants: You must enter your undergraduate degree information but no proof of academics is required. Qualifications will be confirmed with the other jurisdiction(s) in which you are registered.

Current PEGNL Members-in-Training: No proof of academics are required as they were reviewed when you were registered as a MIT. If you obtained additional academic credentials after you were registered, you will need to supply proof of those academic credentials.

Canadian Post-Secondary Institutions: You must arrange to have your university send electronic versions (or mail) official copies of your complete set of academic transcripts DIRECTLY to PEGNL.

20) You must answer all questions on the good character declaration page shown below. If you answer 'Yes' to any question, a text box will appear and details related to your 'Yes' answer.

Good Character Declaration

PEGNL members are bound by a Code of Ethics and applicants must demonstrate good character to be deemed suitable for membership. The following questions are part of the character review process. If you answer "yes" to any of these, please provide more details.

- * Have you ever pleaded guilty or been found guilty of any offence under any statute whether in Canada or elsewhere? (None) ▼
- * Have you ever been found guilty in any action civilly liable for any cause whatsoever? (None) ▼
- * Are there any outstanding civil judgment against you or civil/criminal actions outstanding against you? (None) ▼
- * Other than an administrative suspension for non-completion of renewal requirements, have you ever been suspended, disqualified, or disciplined in any way as a member of any professional organization? (None) ▼
- * Have you ever been denied or had revoked any license or permit, the procurement of which requires proof of good character? (None) ▼
- * Is there to your knowledge or belief any event, circumstance, condition or matter not disclosed in your replies to the preceding questions that may concern your conduct, character and reputation and that you know or believe might be thought to be an impediment to your admission or matter warranting further enquiry by PEGNL? (None) ▼

22) Read the Required Communications page shown below carefully and check the appropriate checkboxes.

Required Communications

PEGNL is required to send information to members in relation to regulatory matters. As a result, you will receive communications from us on the following: discipline, enforcement, renewal (dues payment, professional development requirements, etc.), elections to the Board of Directors, Annual General Meeting information and registration, regulatory amendments (such as changes to the Act, Regulations, Guidelines, and Bylaws), declaration of new members and other information as applicable. This information will largely be delivered by individual emails.

Optional Communications

A. Member Announcements

PEGNL sends out a regular Member Announcements that includes information on professional development offerings, events, volunteer opportunities, publications, careers and other information that our members may find interesting or useful.

☐ I wish to be excluded from Member Announcements?

B. Third Party Offerings

PEGNL Members are eligible for several special programs and benefits from third-party suppliers (such as vehicle, home, & health insurance discounts). On occasion, PEGNL will supply limited contact information to these suppliers for members who have consented to release of same.

Consent to Third-Party Offerings

By NOT checking the box(es) below I consent to the use and sharing of limited contact information, as described in the [PEGNL Privacy Policy](#), for the purpose of receiving PEGNL member-specific third-party communications.

☐ I wish to be excluded from third-party emails?

☐ I wish to be excluded from third-party postal mail?

☐ I confirm my choices above and consent to receiving the unchecked optional communications.

25) Read the Mandatory Declaration page shown below very carefully, select the checkbox agreeing to the terms and type your full name in the signature box. Click the Continue to Requirements button.

Mandatory Declaration

I hereby make application under the Engineers and Geoscientists Act, 2008 to be registered/enrolled in Newfoundland and Labrador.

I declare that all of the foregoing statements are complete and correct to the best of my knowledge and belief.

I understand that a false statement or failure to provide the information requested may, at any time, disqualify me from registration. I authorize PEGNL to obtain such additional information as it may deem appropriate, from such additional sources as it may deem appropriate, for the processing of my application.

If granted registration or a license, I hereby agree to abide by the terms of the Act, Regulations, By-Laws (including the Code of Ethics By-Law) of Professional Engineers and Geoscientists of Newfoundland and Labrador.

I also declare that I have read and understand all supplemental information included in this application (Photo Identification, Proof of Academics, Language Requirements, and Competency-Based Assessments), that I may be asked to supply additional documents or details as part of the application process, and that I abide by the consent indicated for third party offerings.

☐ I agree to the terms.

Continue to Requirements

26) Your application has now been submitted to PEGNL and our registration department has been notified. To complete the process, check the check box indicated in the screenshot shown below and click the Submit button.

Your application information has been submitted to PEGNL.

You must click the Submit button below to activate the checklist on your first visit to this page.

Further information regarding the status of your application is provided below.

Application Status - Complete and Outstanding Requirements

- Please submit any requested documentation noted in the list below. Refer to the Notes column for detailed requirements.
- For the most up-to-date information, please refer to this page, as PEGNL staff will direct all inquiries here.
- The notes on each line will provide more details for each requirement below.
- The application is only considered complete when the Requirement Complete Date has been populated for each line.

Applicant Name: Engineer Peg

Applicant Number: 58933

Applicant Date of Birth: 3/27/1960

The requirements for registration, including what constitutes a complete application, are defined in PEGNL's [Registration Policy](#).

The application requirements listed below are populated based on the information you provided to PEGNL. PEGNL reserves the right to request any additional information required to review your application.

Please review the information requirements listed below. If you have any questions or require any assistance please contact registration@pegnl.ca.

☐ I acknowledge that I must provide the information listed below to fulfill my application requirements. I understand that my application will not be complete until all outstanding information is provided.

Submit
